

MAYHA BOARD NOMINATION CANDIDATE BIOS 2017-2018

Clarence Wildeboer

Clarence is a long time active member of MAYHA currently with 1 boy graduated through the program and 3 still playing. Clarence participates in the GHL and is a referee. He has been actively involved coaching for more than 10 years including in both the house and travel programs. Clarence has a passion for developing not only a knowledge and love for skating and the game of hockey but also for investing in the development of great people/citizens. Seeing young people who respect themselves and each other, looking to improve their own knowledge and skills but also those of their teammates inside of and away from GIR is motivating and rewarding.

Clarence works for BioLife Plasma Services.

Ryan Yearous

Ryan has been on the ice 25+ years and has a passion for many ice and snow sports. He currently coaches figure skating and hockey power skating with the Missoula Figure Skating Club, the Missoula Area Youth Hockey Association, and the Glacier Ice Rink. He grew up a competitive figure skater in the Twin Cities (MN) area, is a 3x US Figure Skating Gold Medalist in Freeskate, Moves, and Dance, and has continued to coach and skate in Missoula since moving here in 2003. He participates in the Glacier Hockey League, skating out in Advanced and playing goalie in Novice, but his new favorite is playing the WHAM Co-Rec league with his wife, Linda.

Ryan works with Missoula Parks and Recreation as the Sports & Wellness Recreation Supervisor. He is currently on the MAYHA/GIR Board, serving a 1-year appointed term, and would like to continue helping the rink grow over the next 3 years. He served 4 years on the Missoula Figure Skating Club board from 2007-2011, 2 as President and 2 as vice president. He currently serves on the City of Missoula's Bicycle & Pedestrian Advisory Board, as well.

Ryan believes the Glacier Ice Rink is an important community resource for all types of ice sports: Hockey, Figure Skating, Curling, recreational public skating, and more! There is so much that the Glacier Ice Rink has done, continues to do, and can do in the future to serve the growing needs of our community. I've enjoyed being part of the Glacier Ice Rink community for the past 14 years and would like to continue serving on the MAYHA/GIR board.

Thank you for your consideration.

Nicole Schreckendgust

Nicole is a Missoula community member who lives with her husband of 21 years and four children, Lucas, Jacob, Braiden and Brooklyn. For 17 years, Nicole was an insurance agent and business owner.

Nicole has been involved with youth hockey for more than 15 years. Her involvement includes travel, house and adult hockey as well as showing her spirit through cheering for her family and friends. In addition, has exhibited her dedication for hockey by playing the role as team manager for multiple travel teams. Nicole is currently an active member on the Youth Hockey Committee and participated as the Youth Hockey Chair in 2014.

Hockey is not the only sport that Nicole has shown immense interest and devotion towards. She is highly active in Missoula Youth Football. She has served as the Executive Director since 2014 as well as oversees all the day to day operations. Nicole also participated on the Missoula Youth Football Board of Directors until 2014.

Nicole has a love for sports and the community's youth which is also supported by her employment with the Missoula County Public School District as a para educator and Family in Transition Coordinator at Cold Springs Elementary School.
