

How to create an account in FinnlySport for Glacier Ice Rink

Navigate to <https://glaciericerink.finnlyconnect.com> where you will see the screen below.

Click on **CREATE ACCOUNT HERE** and the below screen will pop up. Everyone registering this season will have to create a new account. Your old DASH/DAYSMART accounts WILL NOT WORK.

A screenshot of the 'Create Account' form. The title 'Create Account' is at the top. Below it is the section 'Email/Login Information' with a subtext: 'Every account uses an email address as the User ID. An email address can be used for more than one account.' There is a text input field labeled 'Email Address/User ID *' and a dark blue 'Next' button to its right.

Enter your personal email address that you will use to login to your individual/household/business account into the *Email Address/User ID** box.

Click the **Next** button.

*If you see a screen that says that your **Account(s) Exist** please scroll to the bottom of this document for instructions or click [HERE](#).

*If you received the **Account(s) Exist** box, this means already have an account setup, or an account has already been created for you.

Create Account

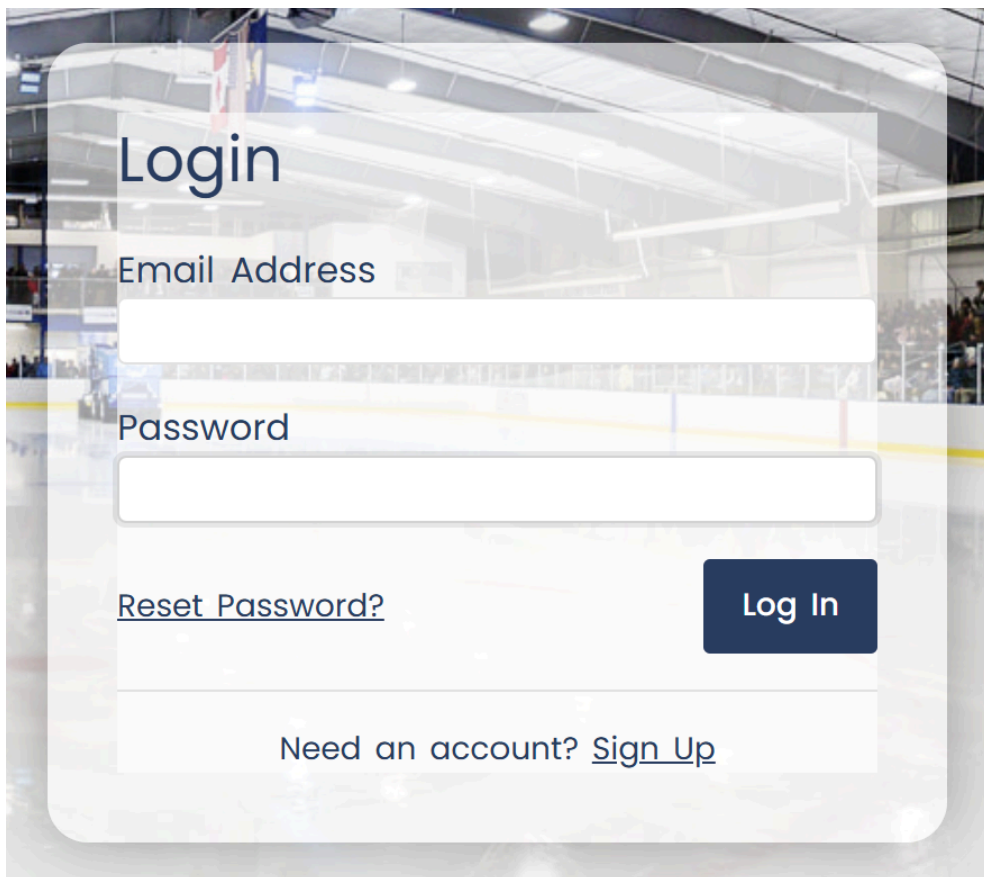

Account(s) Exist

This email address is already tied to account(s). Do you want to create a new account? If you want to use an existing account, you can login or use the forgot password link on the login page.

This means that you already have a *FinnlySport* account registered to your email address.

If you had an account credit in DASH/DAYSMART, we have created a *FinnlySport* account for you, using the email you had associated with your DASH/DAYSMART account, and transferred that credit to your account. Any credit balance you have will be available when you check out. You need to hit the **No** button and return to the login screen.

*Any credit balance you have will only be available at check out.
