2019 Fall Programs

Power Skating and Puck Skills – \$85

Wednesdays, September 4, 11, 18, & 25 (four weeks)

Group 1 - 5:15-6:15 pm - ages 9-12 (Squirt & Peewee) | Group 2 - 6:30-7:30 pm - ages 13-18 (Bantam & older)

The first half of the ice session will focus solely on skating and edge work. The second half of the session will focus on stickhandling, shooting, and passing.

Termite and Mite Fall Session (ages 4-8) – \$135

Wednesdays, September 4th – October 23th, 4:00 to 5:00 pm (eight weeks)

Players take part in a variety of drills and games aimed at improving forward and backward skating, stick handling, passing and shooting. The program is based on USA Hockey's American Development Model.

Checking and Body Contact Clinic – \$70

Mondays, September 9, 16, & 23 (three weeks)

Group 1 - 5:15-6:15 pm - ages 9-12 (Squirt & Peewee) | Group 2 - 6:30-7:30 pm - ages 13-18 (Bantam & older)

Players will learn the fundamentals of body contact, angling and checking. This clinic emphasizes safety and how to properly give/receive body contact.

Bantam and High School Fall Hockey (ages 13 and up) – \$180

Sundays, September 8th – October 27th, 5:15 and 6:30 pm start times (eight weeks)

Players can prepare for the winter season with weekly games every Sunday evening. Checking is not allowed in the fall program, which allows younger players to improve their skills against more experienced players.
